The purpose of the Challenge Camp is to enjoy the natural environment of the facility as much as possible and to give the girls an opportunity for personal growth by communicating with those at camp. Tablets, ipods etc disturb the peace and quiet of fellow campers and the surrounding nature, so their use will be limited. We strongly advise against bringing any electronic devices, nice jewelry, cell phones, walkie talkies, ipods, video games or other expensive items. We cannot assume responsibility for lost items. Girls can request to use their cell phones to call their families at any time. If you need to reach your daughter you can call our camp secretary – Name Last Name 123 456 7891 or call the camp office at 123 456 7891 and ask for Name Last Name.
