

Challenge

Christmas Party

Service Ideas

For Your Family

- Have the girls make or write Christmas cards to members in their extended family that they have not spoken to all year.
- Have the girls work on a special craft or “I OWE YOU” coupons for activities and things they will with their family in the new year.

For Your Parish or diocese

- Ask the St Vincent de Paul Society if any gifts are needed for their angel tree and assign the girls each one of them. They can wrap them during that time.
- Find out from St Vincent de Paul if any families need Christmas trees or warm clothes and have the girls bring the needed items to the party to bundle together.
- Ask the diocesan soup kitchen or shelter where warm blankets are needed and have the girls make a tie blanket each so that they can give them at the end of the party.
